Rules for Forming Teams: Team vs. Team competition (by the same USD)

1. Schools with greater numbers may create multiple teams.
2. If a school cannot field a full team, students from a lower grade-level school in the same district may join the team. For example, if Concordia High School had two players, they could be joined by two players from Concordia Middle School. Borrowed players from the lower school must play together on the same team.
3. All players on K-5 section teams must be in the 5th grade or below.
4. Teams may be formed by combining the players from the schools of the same school district only.
5. Home school players living within the same public school district can form a team, they may have players from a public and private school players join them.
6. Out of state team members must live within the same school district and use their
7. USCF or local state rating. These should be included in registration.
