

Chess Tournament Directors' Seminar

USCF certified senior tournament director Tom Brownscombe will hold a free tournament directors' seminar in Concordia on March 22nd in conjunction with the Kansas Polgar Qualifier Tournament. Anyone who is interested in learning how to direct a chess tournament is welcome to participate. Experienced tournament directors as well as coaches or players who have never before directed a chess tournament are welcome.

Topics discussed and/or demonstrated will include:

Using the WinTD computer program to run a swiss system tournament

Downloading the USCF golden database

Adjusting computer preferences during the tournament

Using pairing cards to pair a swiss system tournament by hand

Setting the KCA's digital chess clocks
